REQUEST FOR CONTINUED EXAMINATION

Sir or Madam:

In response to the Office Action Final Rejection of July 13, 2004, please consider entry of the substitute Specification, Abstract and Drawings filed with the after final amendment, filed on June 3, 2004. The specification submitted June 3, 2004 does not contain any new matter, only attempts to explain the original subject matter more clearly.

Amendments to the Claims to make the claims clearer and eliminate multiple dependant claims are reflected in the listing of claims; clean copy begins on page 2 of this paper and marked up copy begins on page 5 of this paper.

Please consider my remarks/arguments filed with the after final amended specification filed on June 3, 2004 and continuing examination of the above-identified application

Applicant respectfully requests that a timely Notice of Allowance be issued in this case.
